MENS LACROSSE NEW OFFICIALS ORIENTATION AND TRAINING MEETINGS:

With the explosive growth of lacrosse in Section V at all levels officials are needed for the 2014 spring season. The Genesee Valley Lacrosse Officials Association services Section V High Schools Men's Lacrosse at the Modified, Junior Varsity and Varsity levels. There also has been a tremendous growth in Youth Lacrosse programs over the past years which also requires trained officials. We are currently looking for individuals who are interested in becoming officials for the upcoming season. Candidates need no prior experience in officiating.

NEW OFFICIALS ORIENTATION and TRAINING MEETINGS:

This year we have expanded the training sessions so you have the option to attend either the Monday or the Thursday meeting for that week. Meetings to be held in classrooms at [Total Sports Experience](#), 880 Elmgrove Road, Rochester, NY 14624.
