

**Transverse Myelitis (TM) Awareness Night  
Mynderse Varsity Boys Lacrosse Team  
Mynderse vs. Bath  
Tuesday, May 15<sup>th</sup>, 2012  
5:00 pm**

The Mynderse Boys Varsity Lacrosse team will be sponsoring a “**TM awareness**” game Tuesday May 15<sup>th</sup>, at 5:00 pm against Bath. The boys hope to bring awareness to TM and raise money to support the **TM Foundation**.

As many of you may know, Casey Irland, was diagnosed with TM in January 2011. TM is a rare neurological disorder that involves inflammation of the spinal cord effecting only 1400 people a year. There is no cure for TM but there are medications that can help with some of the symptoms: muscle weakness, paralysis, uncomfortable nerve sensations, neuropathic pain & fatigue.

**“Hope”, “Strength” & “Determination” are the words Casey lives by.**

---

---

---

**The Boys Lacrosse team will be wearing “TM” t-shirts to school that day.**

- **The Lacrosse team is selling T-shirts if you would like to buy one.**
  - **You can order them for \$15.00.**
  - **The shirts are light blue with a navy ribbon scripted with the words “Hope”, “Strength” & “Determination”. (See attached photo).**
  - **Bracelets will also be sold for \$3.00 each with “Hope and Strength Beats TM”**
  - **See Curt Irland to place an order.**

***PLEASE HELP FIND A CURE!***
